2021

sonoma county
cabernet sauvignon

We've been making wine in Sonoma County for over ten years and have established a dynamic network of friends and colleagues that include vineyard owners, growers, and winemakers along the way. While we successfully navigated and maneuvered our way through the négoce market in the past, Valravv represents the next evolutionary step for us. Because of those forged relationships and friendships, we have exclusive access to grapes from fantastic vineyards and the team to oversee hands-on production from vineyard to bottle. We are proud of our past achievements and excited to realize the culmination of a decade of learning and focus, bringing authentic wines to the table that we have found, seen, and touched at every step. Valravv wines are out-of-the-gate approachable, delicious, and table ready.

VINEYARDS & WINEMAKING

The 2021 Valravv Cabernet Sauvignon is 100% Cabernet Sauvignon from Alexander Valley, Moon Mountain, and Sonoma Valley. Combining elevations, aspects, climates, and soil types allows us to blend the components for a seamless composition.

In the cellar, hand-sorted grapes undergo an extended cold soak followed by primary fermentation in stainless steel. Following primary fermentation, the wine is raked to French oak barrels (new, second use, and neutral) for 18 months aging - Sylvain, Gamba, Darnajou, Nadalie and Seguin Moreau cooperages.

TASTING NOTES

Strikes a great balance of savory and sweet immediately apparent in the espresso roast and savory herb components layered on top of rich blackberry, marionberry and cassis fruit. It has a supple tannin structure with high tones, opulent fruit, and a long, satisfying finish.

PRESS - 91 POINTS JS

"Ripe, spiced and toasty cabernet with blackcurrants, blackberries, cedar, pine nuts and black olives. Full-bodied, structured and a little tight with a sandy texture to the tannins and a firm, slightly chewy finish."
